Dr. Henry W. Wright (1944-2019) was the president and founder of Be in Health Global and the author of the best-selling book A More Excellent Way. He was exposed to the power of spiritual healing at an early age when his mother was miraculously cured of terminal cancer and a fatal tumor that was wrapped around her jugular vein. Dr. Wright was committed to the belief that human problems are fundamentally spiritual, with associated physical and psychological manifestations.

The "more excellent way" is not some gift to be desired to the exclusion of the other gifts, but a more excellent way of striving for those gifts. You are not to strive for any one gift because it is more highly esteemed, or because it is more apparently useful, or because it is more easily attained.

One of the more common descriptions given was that he is so biblical in his teaching because he backs everything up with scripture. So, I read his book called A More Excellent Way. It certainly appears biblical, because he has a verse or two for every point he makes. I actually counted 186 verses quoted in the first 50 pages.
