Is the GED test hard? The GED test can be difficult as it designed to test skills that would normally be gained through years of study in High School. However you can be properly prepared for the GED test by studying the main topics of the test and then using a well designed GED Practice test. You can be properly prepared for the GED test by following these 3 steps

**GED Practice Test - Free Exam | 4Tests.com**

The General Educational Development (GED) tests are a group of four subject tests which, when passed, provide certification that the test taker has United States or Canadian high school-level academic skills. It is an alternative to the US high school diploma, HiSET, and TASC test. The GED Testing website currently does not refer to the test as anything but "GED".
