advocacy and mobilization of resources
to combat NTDs. "Like Dr. Hotez I have
struggled with how to best get the word
out about our need to address NTDs and
their link to poverty.

Forgotten People Forgotten Diseases: The Neglected ...

Forgotten people, forgotten diseases :
the neglected tropical diseases and their
impact on global health and
development. Peter J Hotez, American
Society for Microbiology. Provides an
overview of the neglected tropical
diseases (NTDs) and how they devastate
the poor, essentially trapping them in a
vicious cycle of extreme poverty by
preventing them from working or
attaining their full intellectual and
cognitive development.

This Island In New York Has A Dark And Evil History That Will Never Be Forgotten. New York is home to some pretty fascinating abandoned locations, many of which tend to have dark and unpleasant history. Off limits to the public, this one island on the East River is now only home to collapsing ruins that have walls we wish could talk.

This Abandoned Island In New York Has A Dark History

Tens of thousands of people living with special needs inside small group homes in New York who haven't been able to see their loved ones believe they're the forgotten ones during the COVID-19 ...
