### Pre K 5 Senses Math

Learning about the 5 senses is a great thematic unit for preschoolers, especially at the beginning of the year. Young children are naturally curious about the world around them and often use their senses to explore and learn. When we set up 5 senses learning centers in our classroom, we give children the opportunity to play, learn and discover in a way that is exciting, hands-on and developmentally appropriate!

This week I chose a series of books about the senses so that we could focus on one sense each day. We used The Five Senses (series) by Rebecca Rissman, and we started out with Smelling. After reading, Madelynn completed the My 5 Senses: Smelling book by following the directions on each page. We talked about the part of the body used to smell, things we can smell, sorted good/bad smells, and more.
