The Allen (Starvation) Treatment of Diabetes - Europe PMC ...

The most popular low-calorie diet for diabetes in the United States was the Allen Starvation diet, with a book available for home use. In 1921 Dr. Allen opened the first clinic in the world for people with diabetes. People on the Allen Starvation diet had to fast for several days until no trace of sugar appeared in their urine.

Allen Starvation Diet | Empoweryourhealth.org

Allen helped to provide the best therapy for those with diabetes before insulin, this was known as a restricted-calorie or starvation diet. The diet provided mainly protein and fat nutrients and restricted carbohydrates. Between the years of 1914 and 1918, 100 patients were treated at Rockefeller Hospital with this method.

The Allen (starvation) treatment of diabetes, with a ...

Abstract. Allen's method of treatment of diabetes attained popularity with a rapidity which seems to indicate its worth as an accepted method of procedure in such cases. This little monograph contains the details of the treatment. The actual technic is not difficult to master. A series of graduated diets are offered which have proved successful in the use of the treatment at the Massachusetts General Hospital.
