analyses of a selected figure, group, or social movement, and you will give a group presentation. In the third, we will analyze how several authors' language has been shaped by their political experiences, and you will write an essay on the politics of language in your own experience.

ENG 362: Rhetorical Traditions | Thomas P. Miller

The Rhetorical Tradition — the first comprehensive anthology of primary texts covering the history of rhetoric — examines rhetorical theory from classical antiquity through the modern period. Extensive editorial material makes it an essential text for the beginning student as well as the professional scholar.

Rhetorical traditions. Although knowledge of rhetorical traditions is essential to the modern student's work, it must be borne in mind that he is nonetheless divorced from those traditions in two important ways. First, there is an almost exclusive emphasis upon the speaker or writer in traditional rhetoric; and, second, there is an implicit belief that the truth can be detached from the ...
