criteria as detailed in The Sorites Principle (chapter 4). For instance, it must be 'Specific'; don't use vague words like 'better', 'improve' or 'more'. "I want to improve my Swahili" is vague; "I want to pass my Swahili A-level" is specific. Finally, write out all of the reasons why your goal is worth it.

THEpower of perseverance How to harness the SORITES ...

The sorites is thus composed of two valid categorical syllogisms and is therefore valid. The rule in evaluating a sorites is based on the idea that a chain is only as strong as its weakest link. If any of the component syllogisms in a sorites is invalid, the entire sorites is invalid."

Definition and Examples of Sorites in Rhetoric

Sorites, in syllogistic, or traditional, logic, a chain of successive syllogisms—or units of argument that pass from two premises (a major and then a minor) to a conclusion—in the first figure (i.e., with the middle, or repeated, term as the subject of the major and the predicate of the minor premise)—so related that either the conclusion of each (except the last) is the minor premise of the next or the conclusion of each (except the last) is the major premise of the next.

Sorites | logic | Britannica

The sorites paradox (/ soʊˈrɑːtɪːz /; sometimes known as the paradox of the heap) is a paradox that arises from vague predicates. A typical formulation involves a heap of sand, from which grains are individually removed.

Sorites paradox - Wikipedia

By the least number principle (equivalent to the principle of mathematical induction) there must be a least number, say $i + 1$, such that a man with $i + 1$ hairs on his head is not bald. Since a man with 1 hair on his head is bald, it follows that $i + 1$ must be greater than 1.

Sorites Paradox (Stanford Encyclopedia of Philosophy)

3. Williamson's defense of epistemicism leans heavily on the claim that other resolutions of the paradox are untenable, but some of his principal negative arguments are viewed as question-begging; see e.g. Wright 1994: 135-8 and Raffman 2014: 95-96, for discussion.
