Amazon.com: Customer reviews: The Structures of Everyday ...

The most influential aspect of The Practice of Everyday Life has emerged from scholarly interest in de Certeau's distinction between the concepts of strategy and tactics. De Certeau links "strategies" with institutions and structures of power who are the "producers", while individuals are "consumers" acting in environments defined by strategies by using "tactics".

The Practice of Everyday Life - Wikipedia

Vol. I: The Structures of Everyday Life. The first volume aims to illuminate every aspect of material life: agriculture, food, dress, housing, towns, cities, energy, metals, machines, animals, transportation, money. Braudel's goal is not simply to examine each of these in isolation, but to show how all the elements of material life interact to ...
