### The Uncanny | Arsenal Pulp Press

The Uncanny: Experiments in Cyborg Culture. by Bruce Grenville, ed. The Uncanny is an ambitious compilation of essays relating to one of the past century’s most persistent images: the cyborg. Written by various cultural theorists, curators, and media critics, and complemented by neat images of intriguing art works, these thoughtful but turgid essays reflect on the man-machine beast, the cyborg, which is here presented as a protean symbol for our collective “anxiety and desire to give ...
