### Colorectal Surgery | JAMA Network

Emmanouil P. Pappou, Ravi P. Kiran, in Shackelford's Surgery of the Alimentary Tract, 2 Volume Set (Eighth Edition), 2019. Abstract. Colorectal surgery is associated with a greater risk for infections than most other surgical specialties and is considered an outlier for surgical site infections (SSI). Reducing the incidence of infections, especially SSIs, remains a major challenge in colorectal surgery.
